

# 2021 Annual Improvement Plan

2021 Our Big Picture	
<b>CURRICULUM</b>	Develop and refine an evidence-based whole school literacy program aligned with the science of learning and reading (SOLAR)
	Reinvigorate and further embed the teaching of philosophy
	Develop a whole school approach to inclusion
	Review current curriculum plan
<b>CULTURE</b>	Develop staff collegial culture and expert teaching teams to make observations and give constructive feedback
	Improve Communications with parents to show they are integral members of the school and partners in student learning
	Review and refine how we use PBL as a tool to assist with efforts to instil values and expectations
<b>CAPABILITY</b>	Staff trained in the productive use of whole school data to inform classroom practice and management

## Our Measures of Success

- English and Maths:** English U2B (A,B) 70% of students, (C or better) 90% of students  
 Maths U2B (A,B) 70% of students, (C or better) 95% of students
- Staff Capability:** 90% of staff report satisfaction with capability development
- Student Body Efficacy:** 95% of students report that this is a good school
