

Greetings from Dutton Park State School P&C your school community

Dear Dutton Park State School Parent/Caregiver,

Thank you for your continued support and contribution towards the P&C.

Each year the Dutton Park State School P&C offers parents an opportunity to make a financial contribution which will assist the school. Financial contributions are required because our State and Commonwealth Governments provide funding for basic resources only.

In the past, funds were raised from the school community through the voluntary contribution and this funding enabled the school to purchase items such as:

- ⇒ Electronic white boards
- ⇒ Upgrade of school resources, facilities and gardens
- ⇒ Offering programs to build resilience and self esteem

The voluntary contribution will assist the P&C, within its capacity and in consultation with school administration, to action those areas that have been identified as important to the school community.
